

Princess Pat

(Neato Repeato)

The Princess Pat
Lived in a tree
She sailed across
The seven Seas
She sailed across
The channel two
And she took with her
A rick-a-bamboo

CHORUS:

**A rick-a-bamboo
Now what is that?
It's something made
By the princess pat
Its red and gold
And purple too
That's why it's called
A rick-a-bamboo**

Now Captain Jack
Had a mighty fine crew
He sailed across
The channel two
But his ship sank
And yours will too
If you don't take
A rick-a-bamboo

CHORUS

The Princess Pat
Saw Captain Jack
She reeled him in
And brought him back
She saved his life
And his mighty fine crew
Do you know how?
A rick-a-bamboo!

CHORUS

Now Captain Jack
He was no jerk
He sailed across
The universe
And his ship flew
And yours will too
If you just take
A rick-a-bamboo

CHORUS

Then Captain Jack
And Princess Pat
They fell in love
And that was that
They sailed across
The channel 2
And had nine kids
And a rick-a-bamboo

CHORUS

My Highland Goat

(repeat after me version)

My highland goat

Was feeling fine

Ate all my shorts

Right off the line

I took a stick

And gave a whack

And tied him to

The railroad track

The whistle blew

The train drew nigh

My highland goat

Prepared to die

He gave a groan

Of mortal pain

Coughed up my shorts

And flagged the train

I took a knife

And cut the rope

I saved the life

Of my highland goat

Boom Boom, Ain't it Great to Be Crazy

Chorus:

**Boom, boom, ain't it great to be crazy
Boom, boom, ain't it great to be nuts nuts nuts
Giddy and foolish the whole day through
Boom, boom, ain't it great to be crazy?**

A horse and a flea and three blind mice
Sat on a curbstone shooting dice
The horse he slipped and fell on the flea
"Whoops," said the flea, "there's a horse on me!"

Way down South where bananas grow
An ant stepped on an elephant's toe
The elephant cried with tears in his eyes
"Why don't you pick on someone your own size?"

Chorus

Eli, Eli, he sells socks
A dollar a pair, a nickel a box
The longer you wear them the shorter they get
Throw 'em in the water and they don't get wet.

Chorus

Way up North where there's ice and snow
There lived a penguin and his name was Joe
He got so tired of black and white
He wore pink pants to the dance last night!

Chorus

There was an old doctor and his name was Peck
Fell down the well and broke his neck
Served him right, he was doing wrong
Should have tended to the sick, and let the well
alone.

Chorus

Late last night, I had a real strange dream,
Ate a nine-pound marshmallow my mom gave me,
When I woke up, I knew somethin' was wrong,
I looked around and saw my pillow was gone.

Chorus

Called myself on the telephone,
Just to hear that golden tone,
Asked myself out for a date,
Said "be ready 'bout half past eight!"

Chorus

Took myself to the picture show,
Sat myself on the very last row,
Wrapped my arms around my waist,
Got so fresh I slapped my face!

Chorus

Bought a pair of combination underwear,
Guaranteed not to rip or tear,
Wore them six days! No Exaggeration!
Wore them so long I forgot the combination!

Chorus

The Cutest Worm

(repeat after me)

The cutest worm

ALL TOGETHER:

For if you do I'll surely slip,

All through my pipes

All through my pipes

He must have drowned

ALL TOGETHER:

All through my pipes he must have

drowned,

Went through his head

I Wish I Were

(to the tune of "if you're happy and you know it")

Oh, I wish I were a little bar of soap.
Oh, I wish I were a little bar of soap.
I would slippy and I'd slidey,
Over everybody's hidey.
Oh, I wish I were a little bar of soap.

Oh, I wish I were a little hunk of mud.
Oh, I wish I were a little hunk of mud.
I would ooey and I'd gooey,
Under everybody's shoey.
Oh, I wish I were a little hunk of mud.

Oh, I wish I were a little can of pop.
Oh, I wish I were a little can of pop.
I'd go down with a slurp,
and come up with a burp.
Oh, I wish I were a little can of pop.

Oh, I wish I were a little slippery root.
Oh, I wish I were a little slippery root.
I would sit upon the trail,
And knock everyone on his tail.
Oh, I wish I were a little slippery root.

Oh, I wish I were a little mosquito.
Oh, I wish I were a little mosquito.
I'd buzzy and I'd bitey,
Under everybody's nighty.
Oh, I wish I were a little mosquito.

Oh, I wish I were a little squirty orange.
Oh, I wish I were a little squirty orange.
I'd go squirty, squirty, squirty,
Over everybody's shirty.
Oh, I wish I were a little squirty orange.

Oh, I wish I were a little foreign car.
Oh, I wish I were a little foreign car.
I'd go speedy, speedy, speedy
Over everybody's feety.
Oh, I wish I were a little foreign car.

Oh, I wish I were a fishy in the sea.
Oh, I wish I were a fishy in the sea.

Wouldn't I look cute
Without my swimming suit?
Oh, I wish I were a fishy in the sea.

Oh, I wish I were a little safety pin.
Oh, I wish I were a little safety pin.
Wouldn't it be fun
If I suddenly came undone?
Oh, I wish I were a little safety pin.

Oh, I wish I were a little band-aid strip.
Oh, I wish I were a little band-aid strip.
I'd stick to your hairs
And pull them out in pairs.
Oh, I wish I were a little band-aid strip.

Oh, I wish I were a little stinky skunk.
Oh, I wish I were a little stinky skunk.
I'd sit up in the trees
And perfume all the breeze.
Oh, I wish I were a little stinky skunk.

Oh, I wish I were a little sparrow bird.
Oh, I wish I were a little sparrow bird.
I'd sit up on the steeple
and dump on all the peeples.
Oh, I wish I were a little sparrow bird.

Oh, I wish I were a creepy scary ghost.
Oh, I wish I were a creepy scary ghost.
I'd give you such a scare
That you'd lose your underwear.
Oh, I wish I were a creepy scary ghost.

I Saw a Bear

(repeat after me)

The other day
I saw a bear
A big white bear
I had to stare.

He stared right back
And seemed to grin.
His long white fangs
Hung to his chin.

He moved toward me
Upon four paws.
And those four paws
Held six-inch claws.

I couldn't move.
My feet were froze,
As I saw steam
Shoot from his nose.

But I was safe
Because I knew,
This polar bear
Was at the zoo.

The Cutest Bear

(repeat after me)

The cutest bear
I ever saw.
Was in the road
with a sandwich in his paw.

I asked him if
he'd pose for me.
He said he would
for a nominal fee.

I walked right up
and looked at him.
He opened his mouth
and shoved me in.

Now here I sit
inside this Bear.
I need some HELP
and a little fresh air.

I Met a Bear

(repeat after me)

The other day,
I met a bear,
Out in the woods,
away out there. [Point]

He looked at me,
I looked at him,
He sized up me,
I sized up him.

He says to me,
'Why don't you run?'
'Cause I can see,
you got no gun.'

I says to him,
'That's a good idea.'
'Now legs get going,
get me out of here!'

I began to run,
away from there,
But right behind
me was that bear.

And on the path
ahead of me,
I saw a tree,
Oh glory be.

The lowest branch
was ten feet up,
I'd have to jump
and trust my luck.

And so I jumped
into the air,
But I missed that branch
away up there.

Now don't you fret,
and don't you frown,
I caught that branch
on the way back down.

That's all there is,
there ain't no more,
Unless I meet
that bear once more.

And the nest on the twig
And the twig on the branch
And the branch on the limb
And the limb on the tree
And the tree in the hole
And the hole in the bog

Chorus

Aardvark in the Park

There's a large dark aardvark in the park
They say he's missing from the zoo
The police are looking high and low,
They haven't seen him, have you?
Oh I'll tell you the reason,
Because it's aardvark mating season!
When an aardvark makes a date
You know he slips right through that old zoo
gate
So if you see two aardvarks playing in the park
Don't upset their apple cart.
Why?
You are not a spy, you're not the FBI,
And you should never break an aardvark's
heart!

Announcements

Announcements, announcements,
announcements
A terrible death to die, a terrible death to die
A terrible death, a terrible death,
A terrible death to die
Make announcements short and sweet,
Short and sweet, short and sweet.
Make announcements short and sweet,
'Cause they are boring.

Austrian Yodeling

Once an Austrian went yodeling
On a mountain so high.
When along came a cuckoo bird
Interrupting his cry:
*Oh, da la, oh da la kiki, oh da la cuckoo cuckoo
Oh da la kiki, oh da la cuckoo cuckoo
Oh...
(add other verses with different sounds as
desired,
i.e. grizzly bear, etc.)

Baby Bumble Bee

I'm bringing home my baby bumble bee
Won't my mommy be so proud of me
I'm bringing home my baby bumble bee.
Ouch! It stung me!

I'm squishing up my baby bumble bee
Won't my mommy be so proud of me
I'm squishing up my baby bumble bee
Ewww! It's all over me!

I'm licking up my baby bumble bee
Won't my mommy be so proud of me,
I'm licking up my baby bumble bee.
Ugh, I don't feel so good!

Backwards Song

I walked up the door and opened the stairs
Brushed my pajamas and put on my teeth
Turned off my bed and jumped into the light
All because you kissed me, goodnight

When I woke up in the morning I scrambled my shoes
Shined up and egg and toasted my shoes
Buttered my tie and had another bite
All because you kissed me, never could resist me
All because you kissed me, goodnight

Balloons

Green and yellow balloons make me happy
The red ones they make me feel sad
But tomorrow the red ones will make me feel silly
And the next day balloons are just fads

Friends let me cheer you, let me sing you a song
Let me tell you a tale of today
Let me create a moment, let me make the world
move on
Let me live life just for today

When you see out your window some rain
I'll ask you to come out and play
But you'll stay in your dry house and ask me to come
in
But today I like rainy days

Black Socks

Black socks, they never get dirty
The longer you wear them the blacker they get
Sometimes I think I might wash them
But something inside me says don't wash them
yet.

Brownie Smile

I've got something in my pocket, that belongs
across my face
I keep it very close at hand in a most convenient
place
I bet you wouldn't guess it, if you guessed a
long, long while
So I'll take it out, and I'll put it on,
It's a great, big, brownie smile!

Button Factory

Hello, my name is Joe
I have a wife, and a dog, and a family
I work all day in a button factory
One day, my boss came up to me and said,
"Hey Joe, are you busy?"
I said, "No, heck no!"
"Then do this..."
(any action from pushing a button to jumping
up and down, and all actions get added to the
previous and are done simultaneously)

Daisy On My Toe

Perty daisy on my toe
It is not real, it does not grow
It's just a tattoo of a flower
So I look neat taking a shower
It's on the second toe of my left
A stem and flower but there's not root
(‘Cause that wouldn't look good!)
Perty daisy on my toe
My right foot loves my left foot so (smooch noise)

The Doughnut Song

Well I walked around the corner and I walked around the block
And I walked right into a Doughnut shop,
And I picked up a doughnut and I wiped off the grease,
And I handed the lady a five-cent piece.
Well, she looked at the nickel and she looked at me and
She said “Kind sir you can plainly see,
There's a hole in the nickel and it goes right through,”
And I said, “There's a hole in the doughnut too!
Thanks for the doughnut, So long!”

Fred the Moose

There was a great big moose
He liked to drink a lot of juice
There was a great big moose
He liked to drink a lot of juice *

*Singin' who
Way-oh, way-oh, way-oh, way-oh
Way-oh, way-oh
Way-oh, way-oh, way-oh, way-oh*

The moose's name was Fred
He liked to drink his juice in bed

He liked to drink his juice in bed *

He drank his juice with care
But he spilled some in his hair
He drank his juice with care
But he spilled some in his hair *

Now he's a sticky Moose
He's a moose
Full of juice
On the loose *

Fried Ham

Fried ham, fried ham, cheese and bologna
after the macaroni we'll have onion,
pickles and pretzels
And then we'll have some more fried ham
Fried ham, fried ham!

Same song, second verse, English accent

(Then sung like a baby, or with a country
accent, underwater accent, etc.)

Geoduck Song

You can hear the diggers say as they're headed
for the bay
Oh I gotta dig a duck, gotta dig a duck a day
For I get a buck a duck if I dig a duck a day
So I gotta dig a duck, gotta dig a duck a day *

*Dig a duck, dig a duck, dig a geoduck
Dig a duck, dig a geoduck, dig a duck a day
Dig a duck, dig a duck, dig a geoduck
Dig a duck, dig a geoduck, dig a duck a day*

Well it takes a lot of luck, and a certain kind of
pluck
Just to get around the muck, just to get a
geoduck
'Cause it doesn't have a front, and it doesn't
have a back
And it doesn't know a Donald, and it doesn't go
quack *

Please Bless My Underwear

Please bless my underwear, my only pair
Stand beside them, and guide them.
Through the rips, through the holes, through
the tears
From the washer to the dryer, to the clothesline
in the air
Please bless my underwear, my only pair.

Great Green Gobs

Great green gobs of greasy grimy gopher guts
Mutilated monkey meat
Little birdies dirty feet
French fried eye balls floating in a pool of blood
And me without my spoon!

Herman the Worm

Sittin' on a fence post, chewing my bubblegum
(chew, chew, chew, chew)

Playin' with my yo-yo, Woo-Hoo

When along came Herman the worm

And he was THIS big

And I said, "Herman, what happened?"

And he said, "Duh, I ate my _____"

(Fill in the blank with mother, sister, father,
cousin, etc. and Herman gets bigger each time,
until finally, "Duh, I burped.")

Hippopotamus Song

What can make a hippopotamus smile?
What can make him walk for more than a mile?
It's not a tune on the old violin,
Or listening to the whistling wind
That's not what hippos do *

*They ooze through the goose without any
shoes

They wade through the water 'til their lips turn
blue

That's what hippos do*

Shhh!

What can make a hippopotamus smile?

What can make him walk for more than a mile?

It's not a party with a paper hat,

Or a bag of candy that'll make him fat

That's not what hippos do *

Humpty Dumpty

*Hump-ty Dump, Hump-hump-ty dump-ty
dump-ty

Hump-ty Dump, Hump-hump-ty dump-ty dump-

I Won't Grow Up!

I won't grow up (repeat)
I don't want to go to school (repeat)
Just to learn to be a parrot (repeat)
And recite a silly rule (repeat)
If growing up means it would be
Beneath my dignity to climb a tree,
I'll never grow up, never grow up, never grow up
Not me! (Not I) Not me, so there! *mlaaah!*

I won't grow up (repeat)
I don't want to wear a tie (repeat)
Or a serious expression (repeat)
In the middle of July (repeat)
And if it means I must prepare
To shoulder burdens with a worried air,
I'll never grow up, never grow up, never grow up
Not me! (Not I) Not me, so there! *mlaaah!*

I won't grow up (repeat)
Not a penny will I pinch (repeat)
I will never grow a mustache (repeat)
Or a fraction of an inch (repeat)
Cause growing up is awfuller
Than all the awful things that ever were
I'll never grow up, never grow up, never grow up
Not me! (Not I) Not me, so there! *mlaaah!*

Make New Friends

Make new friends, but keep the old
One is silver, and the other's gold
A circle's round, it has no end
That's how long I want to be your friend
(a round, to be started after "Make New Friends")

Me and My Dinosaur

One day when the weather was cloudy and gray,
And I wished that someone would come out and play!
I heard a 'knock, knock' and I opened the door,
And there stood the loveliest BIG! Dinosaur *

*Me and my dinosaur, I've never had such a friend before!
Big as a house, twenty times and a half,
And fifty times taller than ANY giraffe!
Legs like sequoia trees, teeth big as piano keys!
No two people are buddies more than me and my dinosaur!*

I brought out some cookies and we had a snack,
Then she said she's give me a ride on her back,
I started to climb from her tail to her cheek,
The whole darn trip took a year and a week! *

We hop-scotched to Africa, quick as a breeze
While leap-frogging over the coconut trees!
Then we got thirsty after a while,
In one great big gulp we just drank up the Nile!*

No Bananas in the Sky

There are no bananas in the sky, in the sky (2x)
There's a sun and a moon and a coconut cream
pie,
But there are no bananas in the sky, in the sky!

Puff the Magic Dragon

Puff the magic dragon, lived by the sea
And frolicked in the autumn mist
In a land called Honalee
Little Jackie Paper loved that rascal Puff
And brought him strings and sealing wax
And other fancy stuff

Together they would travel on a boat with
billowed sail
Jackie kept a lookout perched
On Puff's gigantic bluff
Noble kings and princes would bow whenever
they came
Pirate ships would lower their flags
As Puff roared out his name

A dragon lives forever, but not so little boys
Painted wings and giants' rings
Make way for other toys
One gray night it happened, Jackie Paper came
no more
And Puff that mighty dragon
He ceased his fearless roar

His head was bent in sorrow, green scales fell
like rain
Puff no longer went to play
Along the cherry lane
Without his lifelong friend Puff could not be
brave
So Puff that might dragon
Sadly slipped into his cave

Rare Bog

*(together) Rare bog, the rattlin' bog
Way down in the valley-oh
Rare bog, the rattlin' bog
Way down in the valley-oh*

(echo) And in that bog
There was a tree
A rare tree
A rattlin' tree
And the tree's in the bog
And the bog's down in the valley, Oh! *
And on that tree, there was a limb...
And on that limb, there was a branch...
And on that branch, there was a twig...
And on that twig, there was a leaf...
And on that leaf, there was a nest...
And in that nest, there was an egg...
And in that egg, there was a chicken...
And on that chicken, there was a feather...
And on that feather, there was a tick...
And on that tick, there was a speck of dust...
And in that speck of dust, there was a whole
new world...
And in that whole new world, there was a Girl
Scout camp...
(in the last verse, instead of a "rattlin' Girl Scout
camp,"
it's a "rockin' Girl Scout camp")

Rice Crispies

Snap now, snap now, snap's the sound
You gotta have snap or the world's not round
I snap, you snap, we snap, they snap
Snap! (pause, pause) Makes the world go round

Crackle, crackle, the crispy sound
You gotta have crackle or the clock's not wound
Geese cackle, feathers tickle, boys are fickle,
have a pickle
(pause) Crackle! (pause) Makes the world go round

I insist that pop's the sound
You've gotta have pop or the world's not round
Orange pop, grape pop, lemon pop, lime pop
(pause, pause) Pop! Makes the world go round
Snap, crackle, pop rice krispie

Taps

Day is done, gone the sun
From the lakes, from the hills, from the sky
All is well, safely rest,
And good night

Then continue with different animals and funny
motions each time saying all the other animals
motions and words.

One Hen, Two Ducks

(repeat after me)

(each time you say it, you add a line, by the end,
it gets very comically challenging to remember
and say the whole song for anyone who doesn't
know it well)

- One hen
- Two ducks
- Three squawking geese
- Four limericking oysters
- Five corpulent porpoises
- Six pairs of Don Elveezer's tweezers
- Seven thousand Arabian knights in full
battle array
- Eight brass monkeys from the ancient
and sacred crypts of Egypt
- Nine sympathetic apathetic diabetic old
men on roller skates with a
marked propensity toward
procrastination and sloth
- Ten lyrical spherical diabolical denizens
of the deep blue sea who
haul the stall at the corner of the key at
the quivvy of the quo
all at the same time
- Eleven octopi with fungi their eye, who
began to cry when they were
forced to leave their home, which was
shaped like a dome, to
return to the surface world.

Little Red Wagon

(repeat after me)

You can't ride in my little red wagon (each line
is repeated by campers)

The front wheel's broken & the axel's draggin',
A chugga, a chugga a chugga chugga chugga

Second verse, same as the first, a little bit
louder & a whole lot worse

(repeat, louder & worse)

Have you Ever Seen a Penguin Drinking Tea?

Pink Pajamas

(TUNE: battle hymn of the republic)

I wear my pink pajamas in the summer when
it hot

and I wear my flannel nighties in the winter
when it's not

and sometimes in the springtime
and sometimes in the fall

I jump between the sheets
with nothing on at all!

Glory glory hallelujah
Glory glory what's it to ya?
sometimes in the springtime and sometimes
in the fall
I jump between the sheet with nothing on at
all
I wear my string bikini in the summer when
it's hot
and I wear my swimming speedo in the
winter when it's not
and sometimes in the springtime and
sometimes in the fall
I jump into the pool with nothing on at all!!
glory glory hallelujah
glory glory what's it to ya?
sometimes in the springtime and sometimes
in the fall
i jump into the pool with nothing on at all
I fall asleep at night with the pillow on my
head
my little tooshy wooshy is a hangin out of
bed
and three times out of four I wind up on the
floor
so I don't drink coca cola before bed
anymore

A thousand miles to me.

Blow across the sea.
